

SFN Surgeries

The SFN are running full-day surgeries.

The next surgeries will be taking place on the 13th August 2020 and will be held remotely.

Topics can include:

- Possible access to finance, including grant finance;
- Regulatory advice (licensing and spectrum);
- Advice as to business opportunities between companies, including with companies outside the space sector;
- BackonBoard project; and
- FDI and growth in the UK.

Bookings will be in the form of hourly meetings, and several Government departments and Ofcom are supporting the initiative.
