Come to our Open Days to see demonstrations and exhibits about galaxies and the secret that lies at the centre of each one, even our own.

- Starlab Planetarium
- Dome demonstrations
- Laboratory tours
- Speak with Astronomers
- Comet making
- Meteorite handling
- Rocket making
- Talk to Engineers

Enjoy this rare opportunity to go behind the scenes and learn about the work of:

The Institute for Astronomy
UK Astronomy Technology Centre
The Royal Observatory Visitor Centre

All children aged 16 years and under must be accompanied by an adult. Parking will be very limited at the site on the day and therefore it is advisable to leave your car behind if possible.
